

Develop Skills
& Work In...

Horticulture

Course Details

- FREE accredited training course
- Address: Online Training Course
- Duration: 3/4 weeks
- Qualifications: Horticulture Level 1 Accredited Course incorporating aspects such as plant identification, use of mowers and strimmers, customer service & employability skills.
- Also learn about the green economy, customer service and conservation.

Eligibility Criteria

- Must be 16+ years old, not in Work, Education or Employment (NEETS), and must live in South London.

OR

- Must be 18+ years old, just been made redundant or would like to up-skill with their current employer, and must live in Sussex.

Our Online Training Programmes are designed to support individuals who are almost job ready or up skill, providing them with industry specific skills to make them stand out above the rest. On completion of a professional training course, individuals are offered an interview preparation or transitioned into education, a traineeship, employment or an apprenticeship.
